GROWTH. DIVERSITY. OPPORTUNITY FOR ALL.

NOW, THEREFORE, as Mayor of the City of Syracuse, by the authority vested in me by the City Charter and applicable laws, and in consultation with the Chief of Police, I hereby direct the following actions as soon as practicable:

1. Review, revise and amend the policies and procedures of the Syracuse Police Department (SPD) to ensure the principles embodied in the New York City Right to Know Act are incorporated into the department's policies and procedures, including but not limited to self-identification to citizens, provision of written identification to citizens, obtaining consent to searches, recording consent and making the record of the consent available to the subject of the search. This will be done in conjunction with legislative action by the Syracuse Common Council, which will seek to codify the Right to Know principles related to the reporting of investigative encounters.
2. Revise SPD's 2019 use of force policy to ensure that it is compliant with recent changes in New York State law, and fully consider any policy changes requested by the Syracuse community.
3. Revise SPD's current body worn camera policy to ensure that officers record the entirety of their presence on the scene of a police encounter.
4. Complete the department's efforts to obtain additional body worn cameras so that all uniformed officers assigned to patrol or who otherwise respond to citizen calls will be equipped with cameras.
5. Develop and implement a plan to deploy dashboard cameras on all SPD marked vehicles.
6. Conduct a complete inventory of all equipment acquired through military surplus programs that are in possession of the SPD; establish policies and procedures regarding the use of such equipment; and establish parameters for future procurement of such equipment.
7. Post on the City of Syracuse and/or SPD's website:
 - a. The collection of documents that together comprise the most recent collective bargaining agreement with the Syracuse Police Benevolent Association (PBA); and
 - b. A comprehensive summary of that collection of documents, which my administration prepared and presented to the PBA for review and acceptance in 2019; and
 - c. The Tentative Agreement reached with the PBA in November 2019, which has not been approved, and which is now the subject of the impasse resolution process set forth in the New York State Taylor Law.
8. Make SPD policies publicly available on the SPD website.
9. Develop a process to ensure legal compliance with New York State's repeal of Civil Rights Law Sec. 50-a and related amendments to the Freedom of Information Law, which require the city to disclose copies of certain police personnel records upon request.
10. Continue to actively oppose any legal attempt to dissolve or otherwise eliminate the judicial consent decree which continues to be a critically necessary tool to improve the diversity of our police department.

11. Review the department's procedure and approval process regarding the application of search warrants that seeks a "no-knock" provision from a court to ensure compliance with Constitutional standards.
12. Continue to improve collaboration with the Syracuse Citizen Review Board (CRB) to ensure the flow of documents and information as embodied in Local Law No. 11. Further, commit to:
 - a. Reviewing the disciplinary recommendations presented by the CRB prior to making a final determination of discipline of an officer; and
 - b. In cases where the Chief issues no discipline, or discipline that is lesser than is that recommended by the CRB, provide to the CRB a written explanation of the reason for such level of discipline or lack thereof.
13. Develop and deliver training on the history of racism in Syracuse and the United States, both in the police academy and during in-service training, such that 100% of the membership of SPD receives this training. Additionally, deliver department-wide training in cultural competency for law enforcement.
14. Continue to review and upgrade the department's recruitment, screening and hiring practices, with an aim to increase the diversity of the department's membership.
15. Research and consider innovative, community-based strategies for responding to non-criminal calls, with a goal of shifting the paradigm from primary police response, to response by non-police professionals in relevant fields.
16. Develop and implement, in coordination with the Syracuse City School District, a new model for school safety and security.

G I V E N under my hand and the Seal of the City of Syracuse this nineteenth day of June in the year two thousand twenty.
